Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Form **1095-C** (2023)

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient (continued)

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. Form **1095-C** (2023)

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), the premium tax credit, and the employer shared responsibility provisions, visit www.irs.gov/aca or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Instructions for Recipient *(continued)*

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, 1Q, 1T, or 1U is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, 1N, or 1T was used on line 14, this will be your primary residence location. If code 1O, 1P, 1Q, or 1U was used on line 14, this will be your primary employment site. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 13 covered individuals, additional copies of page 3 may be used.
